

Atlantic Provinces Studies Conference

The History Department of the University of New Brunswick has decided to sponsor an Atlantic Provinces Studies Conference. Although primarily historical in approach, the Conference will, it is hoped, include contributors and participants from other disciplines. Tentatively the Conference will be held on the U.N.B. campus in early March 1974. Further details will be announced in the next issue of *Acadiensis*.

Anyone interested in contributing to the Conference is invited to get in touch with
