## GUIDELINES FOR AUTHORS

Manuscripts submitted for consideration by *Conflict Quarterly* should be sent to: Dr. David Charters, Executive Editor, *Conflict Quarterly*, Centre for Conflict Studies, University of New Brunswick, Fredericton, New Brunswick, Canada, E3B 5A3. Authors must provide three copies of the proposed article/review, in either English or French, accompanied by an abstract of 100-200 words and by a biographical note on the author. Papers should relate to some aspect of the field of low-intensity conflict, such as: revolutionary/civil war, guerrilla warfare, terrorism, counter-insurgency/counter-terrorism operations, propaganda and psychological warfare, intelligence activities, media coverage of such conflict, foreign/military policy and strategic studies as they relate to the field.

Ideally submissions should be 2500-5000 words in length, with complete endnotes included on separate sheets. Manuscripts must be typed or word-processed and double-spaced. Any tables, charts, or graphs must be on separate sheets and in camera-ready form. These should be kept to a minimum. For standard punctuation, documentation and format, see *Turabian Manual for Writers* (4th ed.).

Since *Conflict Quarterly* is designed for a broad readership, ranging from defense specialists and academics to interested laymen, authors are urged to avoid 'jargon' whenever possible.

Manuscripts submitted are reviewed by the Editorial Advisory Board, a process which usually takes two months. Manuscripts will then be rejected and returned, accepted on condition of author revisions or accepted with minor editorial revisions. Final proofs are not normally sent to authors once any major textual revisions have been approved because of the limited time-frame.

Copyright on published material is retained by the Centre for Conflict Studies unless otherwise determined. Normally, this means an article may re-appear, as a reprint with full-credit given to the author, in another publication three or four months after the article's publication in *Conflict Quarterly*. Authors are notified where appropriate. In no case does *Conflict Quarterly* receive monetary compensation for such reprints.
