MUSICultures (formerly *The Canadian Journal for Traditional Music / La Revue de musique folklorique canadienne*) is the scholarly peer-reviewed publication of the Canadian Society for Traditional Music.

MUSICultures publishes original articles in English and French on a wide range of topics in ethnomusicology, traditional music research, and popular music studies. The journal welcomes articles on music in Canadian contexts as well as music in global and transnational contexts. The journal also publishes reviews of books, and sound and visual recordings. Please contact the review editors about submitting reviews.

MUSICultures (autrefois *The Canadian Journal for Traditional Music / La Revue de musique folklorique canadienne*) est la publication érudite de la Société canadienne pour les traditions musicales. Cette revue, dont les articles sont sanctionnés par un comité de lecture, est publiée sous les auspices de la Société canadienne pour les traditions musicales.

MUSICultures publie des articles originaux, en anglais et en français, sur un éventail de sujets: ethnomusicologie et recherche dans le domaine de la musique traditionnelle ou populaire. La revue encourage la soumission d'articles sur la musique dans le contexte canadien ainsi que ceux qui abordent la musique dans des contextes globaux et transnationaux. De plus, elle publie des comptes rendus de livres et d'enregistrements (visuels et sonores). À propos de la soumission de ces derniers, prière de communiquer directement avec la responsable des comptes rendus. Les auteurs qui désirent soumettre un article pour la publication doivent faire parvenir une version électronique (Word) de leur texte au rédacteur en chef.

INFORMATION FOR AUTHORS

SUBMISSION GUIDELINES

1. The article text should be typed, double-spaced (including explanatory endnotes, quotations, song texts, Reference List, and captions for figures and illustrations) and submitted as an attached electronic file (Word format). Parenthetical quotations longer than three lines should be separate and indented on the left side of the page. Articles are normally between 5,000-7,000 words.
2. As each article is assessed by two anonymous referees, information identifying the author should appear only in the e-mail message to the editor.
3. Parenthetical documentation for references should be used in the text, with full bibliographic references given in a list of References at the end of the article. Endnotes at the end of the article should be reserved for explanatory material. The journal follows the author-date format in the Reference list.
4. Musical figures, graphics, and tables should be in separate files with explicit indication of where they should be inserted in the article text. All figures, graphics, and tables should carry complete captions, including full identification of the item and all necessary credits and acknowledgements. The author of the article is responsible for obtaining permissions for the use of copyrighted materials, as well as permissions of other materials, where appropriate.

5. Authors should provide an abstract (up to 100 words) as well as biographical note (not more than 70 words), typed and double-spaced in separate files accompanying the article.

SUBMISSION PROCESS

A manuscript is assessed first by the journal editor, who determines if it is of sufficient interest to proceed to the next step, which is to send the manuscript to two external referees. The referees write evaluations and recommendations, sometimes with suggestions for revisions. These assessments are sent to the editor who either rejects the manuscript, postpones a decision while suggesting revisions, or accepts the manuscript in its present state. The referee's assessments and recommendations are forwarded anonymously to the manuscript's author, along with the editor's decisions. The review process normally takes between four and five months.

Authors should also consult the "Publications" link on the Society's website:
www.yorku.ca/cstm

Publishers should submit books, videos, CDs, etc. for possible review to the Editor.

MEMBERSHIP AND SUBSCRIPTIONS

A one-year CSTM membership includes:
 Subscription to peer-reviewed *MUSICultures*
 (formerly *The Canadian Journal for Traditional Music / La Revue de musique folklorique canadienne*)
 Subscription to *Canadian Folk Music magazine*
