Special Issue —

Ships, Seafaring and Small Craft

A special issue of *Material History Review* (no. 48) devoted to the material culture of ships, seafaring and small craft is now available. Through the inclusion of a wide spectrum of disciplines — history, folklore, ethnology, archaeology, naval architecture and museum studies — the issue addresses the many contexts and rich material heritage of humanity's dynamic relationship with the marine environment.

TABLE OF CONTENTS

Editorial / Éditorial
