RICHARD BUEHLER

WE ARE PRIMARILY concerned with listing selected publications and studies related to Newfoundland and Labrador for the year 1995. However, certain items missed in our earlier bibliographies have been inserted. For bibliographical information about articles in *Newfoundland Studies*, see the annual index published in the Fall number.

We are grateful to those subscribers, colleagues and friends who called to our attention publications of which we might otherwise have been unaware. We welcome their continued support.

Abbott, Roland W. *The three seas*. St. John's: Robinson-Blackmore, 1995. 76 p. illus maps — accounts of the shipwrecks of the *Ella M. Rudolph* (1926), *Erema H.* (1929) and *Mollie* (1944).
