

MEETINGS, EXCURSIONS AND ANNOUNCEMENTS

1965 Atlantic Universities Geological Conference

The sixteenth annual meeting of the ATLANTIC UNIVERSITIES GEOLOGICAL CONFERENCE will be held this fall at Memorial University, St. John's Newfoundland. The purpose of the conference is

- 1) to provide a meeting place for geology students of the universities in the Atlantic Provinces;
- 2) to stimulate interest in the geological sciences and associated fields;
- 3) to provide an opportunity for the presentation of papers by students.

The program will consist of a number of papers, social events, and field trips to important areas of Newfoundland. Those interested should write to:

The President
The Alexander Murray Geology Club
Department of Geology
Memorial University
St. John's, Newfoundland

Announcements

Three public lectures on the "World's Ocean Basins" will be given by J. TUZO WILSON at DALHOUSIE UNIVERSITY on October 19, 20 and 21 at 3 P.M.

Weekly seminars by visiting and local scientists are given by the INSTITUTE OF OCEANOGRAPHY and by the DEPARTMENT OF GEOLOGY. Those interested may request advance notices by contacting the secretaries of the Institute or Department of Geology.
