

## ACKNOWLEDGEMENT OF REVIEWERS - 1987

The Editors of Maritime Sediments and Atlantic Geology thank the following Associate Editors and other individuals who have reviewed manuscripts for the Special Issue on "The Avalon Terrane of the Northern Appalachian Orogen" (Volume 22 No. 3 and Volume 23 No. 1) and/or for regular issues of the journal in 1987 (Volume 23 Nos. 2 and 3). We appreciate your assistance and support.
