# Multibeam echo sounder

**EM 710** - *New standard for Flexibility and Precision*  
*Shallow to medium water depths*

Kongsberg Maritime proudly introduces the EM 710 concept.

Based upon 20 years of experience with multibeam echo sounders, we are launching a system packed with new technology.

**New technology:**

- Wideband transducers using composite ceramics technology
- Fully programmable transmit pulse waveforms
- Floating point, 140 dB dynamic range receivers
- High resolution beam processing for improved resolution

**Main system features:**

- 70-100kHz frequency, up to 2000m range capability
- Beams actively stabilized for yaw, pitch, roll
- Beams focusing for both transmission and reception
- Choice of transducer sizes/resolution 0.5 to 2 degrees
- Transducers for permanent hull mounting or portable use
- Chirp pulse waveforms with coherent signal compression on reception
- Calibrated seabed imagery as well as imaging of reflectors in water column

## Contents

## ■ Editorial

- By Adam J. Kerr, Editor 5

## ■ Articles

- Shallow-Survey 2005 - 4th International Conference, Plymouth, Devon, UK from 12-15 September 2005**  
Opening Address by VAdm Alexandros Maratos, President, International Hydrographic Bureau, Monaco 6
- British Hydrographic Surveys in the Mediterranean in the early years of the Nineteenth Century**  
By Andrew David 10
- On the Use of Historical Bathymetric Data to Determine Changes in Bathymetry**  
**An Analysis of Errors and Application to Great Bay Estuary, NH**  
By Martin Jakobsson, Andrew Armstrong, Brian Calder, Lloyd Huff, Larry Mayer and Larry Ward 25
- Hydrography and Disaster Management**  
By Adam J. Kerr 42

## ■ Notes

- Indian & Eurasian Plates Are Active!**  
**Recent and Past Evidence**  
By Dr B. Kesava Ramprasad, Civil Hydrographic Officer, National Hydrographic Office (Ministry of Defence), India 50
- Completion of S-55 Using GIS: A Practical Planning Tool**  
By Lt. Cdr. Rafael Ricardo Torres Parra, Colombian National Navy, Colombia 57
- Capacity Building ... An IHO Challenge**  
By Captain Hugo Gorziglia, IHB Director and Chairman of the IHO Capacity Building Committee 64
- Capacity Building in Ocean Bathymetry**  
**The Nippon Foundation GEBCO Training Programme at the University of New Hampshire**  
Srinivas Karlapati, Dave Monahan, Hugo Montoro Caceres, Taisei Morishita, Abubakar Abdullahi Mustapha, Walter Reynoso Peralta, Shereen Sharma and Clive Angwenyi 69

## ■ Obituary

- Marc Eyriès (1919-2005)**  
Ingénieur général de l'armement (hydrographe) 76
- Norman Gerald Gray (1906-2005)**  
Canadian Dominion Hydrographer 77

## The International Hydrographic Review

Publishing Company : GITC bv  
 President : Ing. Johan Boesjes  
 Publication Director : Durk Haarsma  
 Editor-in-Chief : Adam J. Kerr  
 Editorial Board : Lee Alexander  
                               : Michael Casey  
                               : Captain Hugo Gorziglia (International Hydrographic Organisation)  
                               : Horst Hecht  
                               : Sean Hinds  
                               : Robert Ward  
 Editorial Manager : Sandra Visscher (sandra.visscher@gitc.nl)  
 Account Manager : Victor van Essen (victor.van.essen@gitc.nl)  
 Circulation Manager : Marjan de Vries (marjan.de.vries@gitc.nl)

### Instructions for Contributors

The International Hydrographic Review is an international journal published three times a year by GITC bv. It is sponsored by the International Hydrographic Organisation. It contains original papers concerning all aspects of hydrography and associated subjects. All articles are subjected to peer review and are expected to be 4,000 to 6,000 words long, although longer articles may be considered. It also provides a medium for discussions in the form of shorter Notes, that are typically 1,500 to 2,000 words in length.

Information on the layout of articles and the form of illustrations and references may be obtained by requesting 'Instructions to Authors' from the Editor. They are also published in the first issue of each year. Submissions should be send to:

Mr Adam Kerr	or	Sandra Visscher
Flagstaff Cottage		GITC bv
Lamorna		P.O. Box 112
Penzance		8530 AC Lemmer
Cornwall TR19 6XQ		THE NETHERLANDS
UNITED KINGDOM		Tel.: +31 (514) 56 18 54
Tel.: +44 (0)1736 - 731 228		Fax: +31 (514) 56 38 98
Fax.: +44 (0)1736 - 731 976		E-mail: sandra.visscher@gitc.nl
E-mail: Adam.J.Kerr@btopenworld.com		

Information on the Layout of Articles and the form of illustrations and references may be obtained by requesting 'Instructions for Authors'. These are published in the first issue of each year and may be obtained by contacting the Editor.

#### Reprints

Reprints of all articles (including articles published in earlier issues) can be ordered. For more information, please contact Sandra Visscher at GITC.

#### Copyright

Any permission needed to incorporate material published elsewhere is the responsibility of the authors and it will be assumed that such permission has been maintained. The publisher is not responsible for statements made in the articles or advertisements nor is responsible for typing or converting errors. No material may be reproduced in whole or in part without written permission of GITC bv.

#### Subscription Information

The Journal is published three times a year by GITC bv and can be obtained regularly by subscription. Please find below the subscription rates:

	Europe	All other countries
1 year Individual	€ 67.00	US\$ 93.00
1 year Library	€ 85.00	US\$108.00

Should you wish to take out a subscription then please contact our circulation manager.
