

## **NOTE TO THE READERS**

---

In January 1998, the State of Israel communicated to the IHB its objection concerning the description of the boundaries of the Syrian Arab Republic, as it appeared on page II-126 of Volume LXXIV, No. 2 of the September 1997 I. H. Review. The correspondence about this subject between the IHB and the two related countries is being published in the October 1998 issue of the I.H. Bulletin.

The Bureau of necessity adopts a neutral position over disputes between States and will not publish any more comments on that subject.
