

PLAN N° 31

Denmark — 10 m. (32.8 ft.) Motor Boat.

Danemark — Embarcation à moteur de 10,0 m.

SURVEYING BOATS. *(continued)*

DENMARK.

The Hydrographer of Denmark has sent to the International Hydrographic Bureau the accompanying plan of the latest Danish surveying boat. This boat is fitted with an ultrasonic ATLASLOT sounder No. 52 (Magnetostriction), self-recording down to 300 metres and with direct reading down to 500 metres (red light).

The principal dimensions are as follows :-

	Feet	Inches	Metres
Length overall.	32	10	10.0
Breadth on frame	7	10 1/2	2.4
Draught	2	8 1/2	0.826
