

Dimitrios Efstathiou

Greece

Q1

1905 – Institution of the Hellenic Hydrographic Office under the Hellenic Navy General Staff
1908 – First Hellenic nautical paper chart
1919 – Greece cofounding member state of IHO
2004 – First edition of Hellenic ENC's

Q2

We expect HNHS products to be delivered in S-100 standards and an acquisition of a new hydrographic/oceanographic vessel.

Q3

IHR is of our most interest with its variety and importance of its articles.
