# Constitutional Law of Canada

(Third Edition)

by Peter W. Hogg, Q.C.

**C**onstitutional Law of Canada, third edition, is now available for order. Entirely updated, Professor Hogg's acclaimed treatise, which last appeared in 1985, contains 57 chapters: 20 more than the second edition. New chapters are devoted to an expanded treatment of the Charter of Rights. There are also new chapters on criminal justice, financial institutions, bankruptcy and insolvency, the effect of unconstitutional law, and constitutional litigation.

## **A UNIQUE, AUTHORITATIVE RESOURCE**

There is no other Canadian work devoted exclusively to all aspects of constitutional law. Readers will gain the benefit of Professor Hogg's scholarship and his broad vantage point.

## **HELPFUL LOOSELEAF FORMAT**

The new Third Edition (ISBN 0-459-55687-8) is now available in a convenient looseleaf format for easy update. A hardcover edition (ISBN 0-459-55691-6) for institutional bookbuyers and libraries is also available. Canadian constitutional law will undoubtedly be in a state of flux over the next several years, and Professor Hogg will produce annual supplements to keep the book current. And it's yours for only \$165.

**Order Yours Today! Only \$165 (plus tax)**
