This the twenty-seventh edition of the U.N.B. Law Journal is devoted to the papers presented to the meetings of the Canadian Association of Law Teachers, held at Ludlow Hall, in conjunction with the Conference of Learned Societies in June, 1977. We wish to express our gratitude to the authors of the articles for their ready co-operation in the preparation of this publication. We hope the quality of articles contained in this Journal will set the standard for future editions.

We wish to express a special debt of gratitude to the New Brunswick Law Foundation whose generosity has funded this edition in its entirety.
